Rockland Trust Company

Rockland Trust Company, founded in 1907 is a full-service community bank serving Eastern Massachusetts and Cape Cod. Over the years, Rockland Trust has been a great partner to the SBA Massachusetts District Office. Consistently a top ten overall lender in Massachusetts, Rockland Trust has made it a point to increase 504 lending in Massachusetts. In Fiscal Year 2008, Rockland Trust approved nine 504 loans in the state. By the end of Fiscal Year 2009, they more than doubled this number. The bank approved twenty-three 504s last fiscal year for a total of over \$10 million – a fantastic achievement for a community-based bank.
