This table displays the total gross approval amount by program as of the end of each fiscal year. Since data are not available through the end of the most recent fiscal year, the data displayed in 2010 are as of 09/30/2010.

Gross approval amount is defined as the loan approval dollar amount plus any subsequent loan increases that occurred in the given fiscal year.

Total gross approval amount may exceed loan approval authority during a fiscal year because the amounts shown include loan amounts that have been subsequently cancelled.

Approval amounts net of loan cancellation amounts do not exceed loan approval authority.

For guarantied loans, the gross approval amounts include both the SBA guarantied portion and the non-guarantied portion of the loan.

Guarantied Business, Direct Business, and Disaster loan programs include all loans that are subject to the Credit Reform Act of 1990; which are loans SBA approved on or after 10/01/1991.

The 7(a) and 504 loans in the DELTA and STAR programs are included in the 'All Other' category, not the '7(a) Regular' and '504 Regular' categories, of guarantied business programs.
