St. Paul, Minnesota 55101

Dear Mr. Koopmeiners:

This is in response to your request for approval of a blanket waiver to compete several construction requirements below the competitive threshold. The requirements are for "Other Heavy and Civil Engineering Construction," to be performed in the States of Minnesota, Wisconsin, North Dakota, South Dakota and Iowa.

A firm fixed-price contract is anticipated. The assigned NAICS Code is 237990. The applicable dollar threshold could reach \$7M on the award of **20** construction projects in the States of Minnesota, Wisconsin, North Dakota, South Dakota and Iowa. The period of performance is effective immediately upon offer and acceptance of these requirements into the 8(a) Business Development (BD) Program by the respective district office.

Your request for a blanket waiver is being approved pursuant to the American Recovery and Reinvestment Act of 2009. The U.S. Small Business Administration (SBA) has reserved this authority solely for "contracts funded by the Recovery Act, for competition for construction and information technology services below the competition thresholds."

As stated, the Department of the Army, St. Paul District Corps of Engineers (COE) intends to award **20** 8(a) construction projects in the States of Minnesota, Wisconsin, North Dakota, South Dakota and Iowa. As such, the procuring agency's contracting officer should forward the offer letter to the district office serving the geographical area in which the work is to be performed. That SBA district office will provide an acceptance letter. While competition below the threshold for these requirements is being waived under the authority of the American Recovery and Reinvestment Act of 2009, 8(a) construction requirements are to be competed only among those participants having a bona fide place of business within the geographical boundaries of one or more district offices within the state and nearby areas. A copy of this letter should be included in the offering package when submitting your official offer letter to the respective district office.

Sincerely,
