Your Small Business Resource

Selling to the Federal Government

Presented by U.S. Small Business Administration, Arizona District Office

Are you interested in selling your products or services to the federal government? Do you know what programs are available to small business owners? Do you want to know about how to get certified in the 8(a) business development program? Want to talk to someone experienced in selling to the government?

Come listen to what the United States Small Business Administration officials and small businesses have to say about the SBA 8(a) Business Development Program

Learn about federal government contracting, including:

- Historically Underutilized Business (HUBZone) Program
- 8(a) Business Development Program
- Small Disadvantaged Business
