Are you looking to finance the growth of your business? If so, then come to our Loan Fair to meet face to face with our lenders and resource partners!

## EXISTING BUSINESSES

You will meet with one of our SBA lenders based upon your financial needs, use of proceeds, and industry

Please bring three years of financial statements, three years of business and personal tax returns, as well as your business plan with projections

## START-UP BUSINESSES (and businesses without financial packages)

You will receive FREE business counseling services from one of our resource partners

Please bring your cash flow projections and a business plan (if completed)
