SBA Offers Disaster Assistance to Alabama Residents Affected by Severe Storms and Tornadoes

WASHINGTON – Alabama residents and businesses affected by the severe storms and tornadoes that occurred on April 10-13, can apply for low-interest disaster loans from the U.S. Small Business Administration, SBA Administrator Karen G. Mills announced today.

Administrator Mills made the loans available in response to a request from Governor Bob Riley on June 5, for a disaster declaration by the SBA. The declaration covers DeKalb and Marshall Counties and the adjacent counties of Blount, Cherokee, Cullman, Etowah, Jackson, Madison, and Morgan in **Alabama**; and Chattooga, Dade and Walker in **Georgia**.

“The SBA is strongly committed to providing the most effective and customer-focused response possible to assist homeowners, renters, and businesses of all sizes with federal disaster loans,” said Mills. “Getting our businesses and communities up and running after a disaster is our highest priority at SBA.”

“Loans up to \$200,000 are available to homeowners to repair or replace damaged or destroyed real estate. Homeowners and renters are eligible for loans up to \$40,000 to repair or replace damaged or destroyed personal property,” said Frank Skaggs, Director of SBA’s Disaster Field Operations Center in Atlanta. SBA’s customer service representatives will be on hand at the Disaster Loan Outreach Center to issue loan applications, answer questions about the disaster loan program, explain the application process and help individuals complete their applications.

Tom Todt, SBA's Alabama District Director, added, "Low-interest Federal disaster loans are available to homeowners, renters, businesses and non-profit organizations of all sizes whose property was damaged or destroyed by the severe storms and tornadoes."

Businesses and non-profit organizations of any size may borrow up to \$2 million to repair or replace damaged or destroyed real estate, machinery and equipment, inventory, and other business assets. The SBA also provides mitigation funds to disaster victims based on 20 percent of the verified physical damage. These funds are designed to help borrowers pay for protective measures to minimize damages of the same kind in the future.

For small businesses, and most private, non-profit organizations of all sizes, the SBA offers Economic Injury Disaster Loans (EIDLs) to help meet working capital needs caused by the disaster. EIDL assistance is available regardless of whether the business suffered any physical property damage.

Interest rates are as low as 2.187 percent for homeowners and renters, and 4 percent for businesses, with terms up to 30 years. Loan amounts and terms are set by the SBA and are based on each applicant's financial condition.

Individuals and businesses unable to visit the Center in person may obtain information and loan applications by calling the SBA's Customer Service Center at 1-800-659-2955 (1-800-877-8229 for the hearing impaired), Monday through Friday from 8 a.m. to 9 p.m. EDT or by sending an email to disastercustomerservice@sba.gov. Business loan applications can also be downloaded from the SBA website at www.sba.gov/services/disasterassistance. Completed applications should be returned to the Center or mailed to: U.S. Small Business Administration, Processing and Disbursement Center, 14925 Kingsport Road, Fort Worth, TX 76155.
