SBA DISASTER LOAN DEADLINE IS OCTOBER 19; THERE IS STILL TIME TO APPLY

ATLANTA - The U.S. Small Business Administration is reminding small businesses that **October 19** is the filing deadline for federal economic injury disaster loans available in the State of Maryland as a result of drought that began on June 1 through September 30, 2008.

These loans are available in the following counties: Caroline, Cecil, Dorchester, Harford, Kent, Queen Anne's and Talbot.

“When the Secretary of Agriculture issues a disaster declaration to help farmers recover from damages and losses to crops, the Small Business Administration issues a declaration to assist small businesses, small agricultural cooperatives and most private non-profit organizations of all sizes affected by the same disaster,” said Frank Skaggs, Director of SBA Field Operations Center East.

Under this declaration, the SBA's Economic Injury Disaster Loan program is available to farm-related and nonfarm-related small business concerns, small agricultural cooperatives and most private non-profit organizations of all sizes that suffered financial losses as a direct result of this disaster. Farmers and ranchers are not eligible to apply to SBA, but nurseries are eligible to apply for economic injury disaster loans for losses caused by drought conditions.

Eligible small businesses and non-profit organizations may qualify for loans up to \$2 million. These loans are available at a 4 percent interest rate with loan terms up to 30 years. The SBA determines eligibility based on the size of the applicant, type of activity and its financial resources. Loan amounts and terms are set by the SBA and are based on each applicant's financial condition. Under this disaster declaration, the SBA cannot provide loans to agricultural producers.

Disaster loan information and application forms may be obtained by calling the SBA's Customer Service Center at 1-800-659-2955 (1-800-877-8339 for the hearing-impaired) Monday through Friday from 8 a.m. to 6 p.m. EDT or by sending an email to disastercustomerservice@sba.gov. Loan applications can be downloaded from the SBA's Web site at www.sba.gov/services/disasterassistance. Completed applications should be mailed to: U.S. Small Business Administration, Processing and Disbursement Center, 14925 Kingsport Road, Fort Worth, TX 76155.

Those affected by the disaster may apply for disaster loans from SBA's secure Web site at <https://disasterloan.sba.gov/ela/>.

Completed loan applications must be returned to SBA no later than October 19, 2009.
