## **SBA to Assist Maine Businesses and Non-profits Affected by Drought**

**ATLANTA** - The U.S. Small Business Administration announces today that federal economic injury disaster loans are available to small businesses, small agricultural cooperatives and most private non-profit organizations of all sizes located in Aroostook, Penobscot, Piscataquis, Somerset and Washington counties in Maine as result of drought that occurred from Aug. 1 through Sept. 15, 2009.

“When the Secretary of Agriculture issues a disaster declaration to help farmers recover from damages and losses to crops, the Small Business Administration issues a declaration to eligible entities affected by the same disaster,” according to Frank Skaggs, director of SBA’s Field Operations Center East.

Under this declaration, the SBA’s Economic Injury Disaster Loan program is available to eligible farm-related and nonfarm-related entities that suffered financial losses as a direct result of this disaster. Farmers and ranchers are not eligible to apply to SBA, but nurseries are eligible to apply for economic injury disaster loans for losses caused by drought conditions.

Victims may qualify for loans up to \$2 million. These loans are available at a 4 percent interest rate with loan terms up to 30 years. The SBA determines eligibility based on the size of the applicant, type of activity and its financial resources. Loan amounts and terms are set by the SBA and are based on each applicant’s financial condition. Under this disaster declaration, the SBA cannot provide loans to agricultural producers.

Disaster loan information and application forms may be obtained by calling the SBA’s Customer Service Center at 800-659-2955 (800-877-8339 for the hearing-impaired) Monday through Friday from 8 a.m. to 6 p.m. EST or by sending an e-mail to [disastercustomerservice@sba.gov](mailto:disastercustomerservice@sba.gov).
