SBA to Open Recovery Center for Business Owners in New Hampshire

ATLANTA – The U. S. Small Business Administration (SBA) announces today that they are opening a Business Recovery Center for two days: **Saturday, May 22 and Monday May 24**, to help businesses impacted by severe storms and flooding that occurred on February 26 through March 14, 2010.

“Due to the amount of economic losses caused by the storms in New Hampshire, we want affected businesses to have a local outlet where they can meet individually with SBA representatives and find out how a low-interest disaster loan can help them recover,” said Frank Skaggs, director of SBA Field Operations Center East. The Business Recovery Center is located at:

Rockingham County

Town of Hampton Fire Station
2nd Floor Conference Room
64 Ashworth Avenue
Hampton Beach, New Hampshire 03842

Open: Saturday, May 22 and Monday, May 24 from 8 a.m. to 5 p.m. **only**
