## SBA Adds Walker County to the Alabama Declaration

**ATLANTA** – The U.S. Small Business Administration adds Walker County as an eligible area for disaster assistance. Private Non-Profit Organizations (PNPs) may apply for disaster damage assistance caused by severe storms, tornadoes, high-winds and flooding that occurred on April 24 - 25, 2010.

PNPs located in DeKalb, Marshall and **Walker** counties in Alabama are eligible to apply to SBA. Examples of eligible non-critical PNP organizations include, but are not limited to, food kitchens, homeless shelters, museums, libraries, community centers, schools and colleges.

PNP organizations may borrow up to \$2 million to repair or replace disaster damaged or destroyed real estate, machinery and equipment, inventory and other business assets. The SBA may increase a loan up to 20 percent of the total amount of disaster damage to real estate and/or leasehold improvements, as verified by SBA, to make improvements that lessen the risk of property damage by future disasters of the same kind.

The SBA offers Economic Injury Disaster Loans to help meet working capital needs, such as ongoing operating expenses to PNP organizations of all sizes. Economic Injury Disaster Loan assistance is available regardless of whether the business suffered any physical property damage.

Interest rates are as low as 3 percent with terms up to 30 years. Loan amounts and terms are set by the SBA and are based on each applicant's financial condition.

Disaster loan information and application forms may be obtained by calling the SBA's Customer Service Center at 800-659-2955 (800-877-8339 for people with speech or hearing disabilities) Monday through Friday from 8 a.m. to 6 p.m.; Saturday and Sunday 9 a.m. to 5:30 p.m. EDT or by sending an e-mail to [disastercustomerservice@sba.gov](mailto:disastercustomerservice@sba.gov).
