Disaster Assistance Available for Small Businesses

Sacramento, CA - Small businesses in seven **Louisiana** parishes (plus neighboring parishes and counties in **Louisiana, Arkansas** and **Mississippi**) may now apply for low interest disaster loans from the U. S. Small Business Administration (SBA). "These loans offset economic losses because of reduced revenues caused by excessive rainfall and storms in the parishes of East Carroll, East Feliciana, Ouachita, Pointe Coupee, Tensas, West Carroll and West Feliciana beginning October 16, 2006 through November 8, 2006," announced Alfred E. Judd, Director of SBA's Disaster Field Operations Center - West.

Small businesses in the following primary and neighboring parishes and counties may apply:

Primary **Louisiana** parishes: East Carroll, East Feliciana, Ouachita, Pointe Coupee, Tensas, West Carroll and West Feliciana;

Contiguous **Louisiana** parishes: Avoyelles, Caldwell, Catahoula, Concordia, East Baton Rouge, Franklin, Iberville, Jackson, Lincoln, Madison, Morehouse, Richland, Saint Helena, Saint Landry, Saint Martin, Union and West Baton Rouge;

Contiguous **Arkansas** county: Chicot;

Contiguous **Mississippi** counties: Adams, Amite, Claiborne, Issaquena, Jefferson, Warren and Wilkinson.

Small businesses may qualify for Economic Injury Disaster Loans (EIDLs) of up to \$1.5 million to help meet financial obligations and operating expenses which could have been met had the disaster not occurred. "Eligibility for these loans is based on the financial impact of the disaster only and not on any actual property damage. These loans have an interest rate of 4%, a maximum term of 30 years, and are restricted to small businesses without the financial ability to offset the adverse impact without hardship," Judd said.

By law, SBA makes EIDLs available when the U. S. Secretary of Agriculture designates an agricultural disaster. Secretary Mike Johanns declared these disasters at the request of Governor Kathleen Blanco.

Businesses primarily engaged in farming or ranching are ineligible for SBA disaster assistance. Agricultural enterprises should contact the Farm Services Agency (FSA) about the U. S. Department of Agriculture (USDA) assistance made available by the Secretary's declaration
