ATLANTA, GA – More than \$2 million in U.S. Small Business Administration Disaster Assistance Loans have been approved for residents in Kentucky who were affected by the Severe Storms and Tornadoes which occurred February 5-6, 2008.

“Currently, 37 homes and 2 business disaster loans have been approved in the amount of \$2,063,600.00 for affected victims,” said Frank Skaggs, Director of SBA Field Operations Center East. “We are pleased to be able to get these loans approved so the residents of Kentucky can start rebuilding and resume their normal lives.”

Victims are urged to register with FEMA by calling 1-800-621-3362 (FEMA), then complete and return their SBA disaster loan application by the April 21, 2008 deadline. “SBA is here to help you with your recovery efforts. I encourage anyone who has not completed their disaster loan application to do so and return it as quickly as possible,” Skaggs added.

The Small Business Administration offers loans up to \$200,000 to repair disaster damaged primary residences. Homeowners and renters are eligible for loans up to \$40,000 to replace personal property such as furniture, appliances and clothing. Loans to businesses of all sizes and non-profit organizations are available up to \$1.5 million to repair damage to real estate, machinery, inventory and equipment. Economic Injury Disaster Loans are also available to small businesses unable to pay bills or meet operating expenses because of the disaster.
